RECITALS

1. On February 26, 2021, Class Representatives, on behalf of the Putative Class, filed a Class Action Complaint in the Case against Defendants, and Gary J. Ignatowski and Armand J. Volta, Jr. (“**Former Defendants**”). Plaintiffs amended the Class Action Complaint on May 21, 2021 (First Amended Class Action Complaint); November 18, 2022 (Second Amended Class Action Complaint); and March 6, 2023 (the operative Third Amended Class Action Complaint). The claims against Former Defendants have been dismissed with prejudice.

2. Plaintiffs’ operative Third Amended Class Action Complaint includes three claims for legal malpractice against the remaining Defendants. In Count I, Plaintiffs allege that Defendants failed to move timely to enforce their rights and the rights of thousands of similarly situated Angelos clients under the 1994 MCIC Settlement Agreement. In Count II, Plaintiffs allege that Defendants failed to pursue timely fraudulent and negligent misrepresentation claims on behalf of Plaintiffs and thousands of similarly situated Angelos clients against MCIC and its insurers. In Count III, Plaintiffs allege that Defendants failed to challenge a buyback by Reliance Insurance Co., prior to the 1994 settlement, of CGL coverage it had issued to MCIC, thereby depleting the pool of coverage for the settling claimants.

3. The Parties engaged in vigorous discovery and extensive motion practice. Pursuant to an agreed schedule, on May 8, 2023, Plaintiffs filed their initial Motion for Class Certification. On February 2, 2024, following a period for class-related discovery, Plaintiffs filed a Superseding Motion for Class Certification. Defendants filed their Opposition on March 8, 2024, and Plaintiffs filed a Reply on April 8, 2024. A hearing on the Superseding Motion for Class Certification had been set for May 31, 2024.

4. Defendant Peter G. Angelos, Esq. passed away on March 23, 2024, at which time the Angelos Estate became the appropriate Defendant. A Notice of Death and Substitution of Party was filed by counsel for the Angelos Estate on May 15, 2024.

5. With the class certification hearing date on the horizon and, desiring to explore a fair and reasonable out-of-court resolution of the dispute, the Parties engaged the Honorable Paul W. Grimm, a retired federal judge for the U.S. District Court for the District of Maryland, to facilitate a mediation.

6. The Parties appeared for a mediation session on April 19, 2024. The Parties engaged in fruitful settlement negotiations, with the thoughtful assistance and guidance of Judge Grimm.

7. Through these settlement negotiations, the Parties reached a settlement in principle, which was itself then subject to many weeks of further arm's-length negotiations.

8. Following these extensive negotiations, the Parties executed a Term Sheet effective June 3, 2024, memorializing many of the essential terms of the settlement.

9. The Class Representatives and Defendants have concluded that they desire to settle the Case to obtain relief for the Putative Class and to resolve finally the matters settled herein.

10. Plaintiffs' counsel have taken into account the uncertain outcome and risks of the litigation, as well as the difficulties and delays inherent in such litigation and the potential for protracted appeals. Plaintiffs' counsel have determined that the settlement set forth in this Agreement is in the best interests of the Class Representatives and the Putative Class, and the Class Representatives concur in that determination.

11. Defendants do not admit any liability by entering into this Agreement. The settlement of this dispute is based, in part, on Defendants' assessment of the risks of litigation, to include the cost of defending same. Defendants also recognize the inherent economic uncertainty of complex litigation. Accordingly, Defendants believe that settlement is in their best interests.

AGREEMENT

NOW, THEREFORE, in consideration of the promises and representations, covenants and releases contained herein and for other good and valuable consideration, the receipt and sufficiency of which the Parties now acknowledge, the undersigned Parties stipulate and agree that all Claims of the Class Representatives and the Putative Class against Defendants shall be finally settled, discharged, and resolved on the terms and conditions set forth below:

Certification of Settlement Class

2. **Full and Final Settlement Between the Settlement Class and Defendants.** It is the intent and purpose of this Agreement to effect a full and final settlement of all Claims in the Case against Defendants. To effectuate that purpose, the Class Representatives and Defendants agree to cooperate and use their best efforts to obtain Court approval of the settlement in an expeditious manner.

3. **Authority of Class Counsel.** The Parties acknowledge and agree that Class Counsel, on behalf of the Class, are authorized to take all appropriate actions required or

permitted to be taken by the Class pursuant to this Agreement to effectuate its terms, and also are authorized to enter into any modifications or amendments to this Agreement on behalf of the Class.

4. **Definition of Class.** The Parties stipulate and agree that, exclusively for purposes of this settlement, the Case is maintainable as a class action under Md. Rule 2-231(c)(3). For the purposes of this settlement, the Class is defined as follows:

All persons (or their estate representatives or next of kin) represented at any time by Defendants in connection with the Motion to Enforce and/or the Tort Action who are identified on the MCIC Settlement Beneficiary List and the Surviving Family Member List.

5. **Exclusions.** Excluded from the Class are:

(a) All directors, officers, employees, and shareholders of the Law Firm, and their immediate family members;

(b) All attorneys for Defendants in the current matter, and their immediate family members;

(c) Each and every judge assigned to this action and all members of those judges' staffs, and their immediate family members;

(d) Those persons who previously settled or whose associated MCIC Settlement Beneficiary previously settled legal malpractice claims against Defendants equivalent to any of the Claims asserted in the Case;

(e) For the avoidance of doubt, all persons listed on Exhibit 3 to the third amended complaint in the Tort Action; and

(f) Those persons who affirmatively opt out of the Class.

6. **No Contest.** For the purpose of this settlement and its implementation, Defendants do not contest or challenge the definition of the Class.

7. **Failure to Obtain Approval.** In the event this Settlement is not approved by the Court or otherwise is not fully implemented in accordance with its terms, the Parties shall revert to their respective positions in this litigation as of April 19, 2024, and the Parties shall reserve all rights and objections with respect to the viability of the Case as a class action or the propriety of the Class definition.

Settlement Payment

8. **Settlement Payment.** Subject to Court approval, and as consideration for dismissal of the Claims and the releases provided herein, and for the benefit of all Parties and to avoid the cost, time, and uncertainty of litigation, the Angelos Estate will cause to be deposited into the Fund the Settlement Payment of Fifty-Seven Million Dollars and 00/100 (\$57,000,000). The Settlement Payment is composed of the following components:

(a) The Law Firm shall instruct Executive Risk Indemnity Inc. d/b/a the Chubb Insurance Company (“**Chubb**”), as insurer of the Law Firm, to deposit \$100,000 in cash into the Fund (either directly or via one of the Law Firm’s attorney’s trust accounts) within ten (10) calendar days after the Preliminary Approval Order, which amount shall be disbursed in accordance with paragraph 10 below.

(b) The Law Firm shall instruct Chubb to deposit all available cash proceeds under the policy currently responding to the Case into the Fund (either directly or via one of the Law Firm attorney’s trust accounts) within fourteen (14) calendar days after the Final Approval Date, and the Angelos Estate will cause to be deposited the balance between that amount and \$14,900,000 into the Fund within fourteen (14) calendar days after the Final Approval Date. These amounts will be disbursed in accordance with paragraph 10 below.

(c) Within fourteen (14) calendar days after the Final Approval Date, the Angelos Estate will cause to be deposited \$42,000,000 in cash into the Fund, to be disbursed in accordance with paragraph 10 below.

9. **Disbursement Agreement.** The Fund will be governed by an escrow, disbursement, or other similar agreement (“**Disbursement Agreement**”), the terms of which will be mutually agreeable to the Angelos Estate and Gallagher Evelius & Jones LLP, and to which Gallagher Evelius & Jones LLP or its agents will be a party. Any interest earned on the Fund shall be disbursed to the Angelos Estate or its designees.

10. **Qualified Settlement Fund.** The Administrator will establish a QSF for the purpose of paying costs of administration and paying the Settlement Class, Class Counsel, and Class Representatives. The Disbursement Agreement will authorize transfer of the funds described above in paragraph 8 from the Fund to the QSF as follows:

(a) \$100,000 shall be transferred fourteen (14) calendar days after the Preliminary Approval Date, for the purpose of funding the Administrator’s Notice to the Class and other Settlement Administration Expenses.

(b) \$14,900,000 shall be transferred:

i. if no objection to the Motion for Final Approval is filed (and hence no appeal can be filed), seventeen (17) calendar days after the Final Approval Date; or alternatively,

ii. if an objection to the Motion for Final Approval is filed, thirty-one (31) calendar days after the Final Approval Date.

(c) Four annual installments of \$10,500,000 each shall be transferred on or before the first, second, third, and fourth anniversaries of the Final Approval Date.

11. **Payment Subgroups.** For purposes of recovering a share of the Settlement Payment only, MCIC Settlement Beneficiaries shall be divided into four subgroups corresponding to the disease categories set forth in the MCIC Settlement Agreement, which categories are incorporated herein by reference:

Subgroup A. All MCIC Settlement Beneficiaries who participated (or estate representatives whose decedents participated) in the MCIC Settlement Agreement as **non-malignancy (i.e., ALD)** claimants, as determined from the records of the Law Firm.

Subgroup B. All MCIC Settlement Beneficiaries who participated (or estate representatives whose decedents participated) in the MCIC Settlement Agreement as **other cancer** claimants, as determined from the records of the Law Firm.

Subgroup C. All MCIC Settlement Beneficiaries who participated (or estate representatives whose decedents participated) in the MCIC Settlement Agreement as **lung cancer** claimants, as determined from the records of the Law Firm.

Subgroup D. All MCIC Settlement Beneficiaries who participated (or estate representatives whose decedents participated) in the MCIC Settlement Agreement as **mesothelioma** claimants, as determined from the records of the Law Firm.

12. **Distributions.** After Plaintiffs' approved attorneys' fees and expenses and any approved incentive fees are disbursed, the balance of the Fund, as deposited into the QSF pursuant to paragraph 10, shall be disbursed by the Administrator *pro rata* to each MCIC Settlement Beneficiary based on their individual disease categories as set forth above in paragraph 11. Surviving Family Members shall not be eligible for separate payment, as the MCIC Settlement Agreement provided payment for principal asbestos victims only, and not for family members who released derivative claims such as loss of consortium and wrongful death in consideration of an MCIC Settlement Beneficiary's payment.

13. **Distribution Formula.** Subject to any adjustments that may be necessary and the approval of the Court, and before accounting for any attorneys' fees, expenses, or incentive payments that the Court may approve, each member of Subgroup A, Subgroup B, Subgroup C,

and Subgroup D shall be eligible to receive approximately the gross payments from the QSF as set forth below, divided into five installments and distributed in accordance with the timing provisions set forth below in paragraph 15:

Subgroup A. Approximately \$5,110.27

Subgroup B. Approximately \$7,665.41

Subgroup C. Approximately \$21,718.67

Subgroup D. Approximately \$48,457.61

In no event shall the total distribution, including payment of attorneys' fees and expenses, exceed the total Settlement Payment (\$57,000,000.00).

14. **No Further Contribution.** Under no circumstances shall Defendants be required to contribute funds in excess of the amount of the Settlement Payment.

15. **Timing of Payment Installments.** The gross payments described above shall be divided into five installments ("**Payment Installment(s)**"), consistent with the five transfers from the Fund to the QSF described in paragraph 10. The Administrator will disburse payments to all MCIC Settlement Beneficiaries who do not opt out of the Class pursuant to the Final Approval Order in accordance with the following schedule:

(a) Within sixty (60) calendar days after the Final Approval Date ("**First Annual Installment**");

(b) Within thirty (30) calendar days after the first anniversary of the Final Approval Date ("**Second Annual Installment**");

(c) Within thirty (30) calendar days after the second anniversary of the Final Approval Date ("**Third Annual Installment**");

(d) Within thirty (30) calendar days after the third anniversary of the Final Approval Date (“**Fourth Annual Installment**”); and

(e) Within thirty (30) calendar days after the fourth anniversary of the Final Approval Date (“**Fifth Annual Installment**”).

16. **Method of Distribution.** Payment for each MCIC Settlement Beneficiary shall be in the form of a check drawn on the QSF, and issued by the Settlement Administrator, which shall be made payable to “[Name of MCIC Settlement Beneficiary].” Each check issued pursuant to this Agreement shall be void if not negotiated within one hundred twenty (120) calendar days after its date of issue, and shall contain a legend to that effect. Checks that are not negotiated by the Void Date shall not be reissued unless otherwise ordered by the Court. All payments that are unclaimed by Settlement Class Members, including all returned Settlement Checks, all undeliverable checks, and all Settlement Checks not cashed by the Void Date, shall revert to the QSF, and be distributed to the *Cy Pres* Recipients as described in paragraph 17.

17. **Cy Pres.**

(a) The Parties agree that a *Cy Pres* Fund will be created by the Administrator, consisting of any balance of the Settlement Amount remaining in the QSF after the Administrator (i) pays any court-approved attorneys’ fees, expenses, and incentive payments; and (ii) makes commercially reasonable efforts to locate and deliver payments to the MCIC Settlement Beneficiaries. Class Counsel and the Administrator will propose, in the Motion for Preliminary Approval of Class Settlement, a plan to maximize the likelihood that the Administrator will locate and deliver payments to the MCIC Settlement Beneficiaries. The Law Firm will have no responsibility associated with this paragraph.

(b) Any funds that cannot be delivered to the Settlement Class after one hundred twenty (120) calendar days following distribution of a Payment Installment will become *cy pres* funds and will be deposited into the *Cy Pres* Fund. If the Administrator is unable to deliver the First Annual Installment to any Settlement Class Member after 120 days, the remaining payments due to that MCIC Settlement Beneficiary under subsequent Payment Installments will automatically become *cy pres* funds and will be delivered into the *Cy Pres* Fund on or about each installment date. Notwithstanding the preceding sentence, if Class Counsel or the Administrator later learn of the location of an MCIC Settlement Beneficiary, that MCIC Settlement Beneficiary shall be entitled to any subsequent Payment Installments.

(c) Subject to approval of the Court, the *Cy Pres* Fund shall be donated on an annual basis to the following Baltimore non-profit organizations ("***Cy Pres* Recipients**") in the following percentages:

- i. 23.5% to the University of Maryland Francis King Carey School of Law for purposes of sponsoring the clinical law program;
- ii. 23.5% to the University of Baltimore School of Law for purposes of sponsoring the Fannie Angelos Program for Academic Excellence;
- iii. 23.5% to Public Justice Center, Inc., a nonprofit corporation organized under the laws of Maryland;
- iv. 23.5% to Associated Catholic Charities Inc., a nonprofit corporation organized under the laws of Maryland, for use by the Esperanza Center; and
- v. 6% to Franciscan Center, Inc., a nonprofit corporation organized under the laws of Maryland.

(d) The Administrator will target disbursement of the remaining funds from the *Cy Pres* Fund to the *Cy Pres* Recipients in accordance with the following schedule:

- i. Within two hundred forty (240) calendar days after the First Annual Installment;
- ii. Within one hundred eighty (180) calendar days after the Second Annual Installment;
- iii. Within one hundred eighty (180) calendar days after the Third Annual Installment;
- iv. Within one hundred eighty (180) calendar days after the Fourth Annual Installment; and
- v. Within one hundred eighty (180) calendar days after the Fifth Annual Installment.

Provided, however, if an MCIC Settlement Beneficiary dies, and the Administrator needs additional time to authenticate the proper representative of that MCIC Settlement Beneficiary, the Administrator may hold back *cy pres* funds and extend the deadlines in this paragraph 17(d) until due diligence on the representative is completed.

(e) The method of payment shall be in accordance with the directions provided by the *Cy Pres* Recipients.

18. **Incentive Fee to Class Representatives.** Class Counsel will file, and Defendants agree not to oppose, a request that the Court approve an incentive fee out of the Fund to the Class Representatives in the amount of \$10,000 each. These payments will be disbursed in five equal installments corresponding to the Payment Installments from the Fund to the QSF, described above in paragraph 10, and then further disbursed from the QSF to the Class Representatives.

The incentive fees payable to the Class Representatives shall be paid by check drawn on the QSF and issued no later than thirty (30) calendar days after the Payment Installments.

19. **Class Counsel Attorneys' Fees and Costs.** Class Counsel shall submit a fee petition with their Motion for Final Approval. Class Counsel's attorneys' fees and expenses will be disbursed from the Fund to the QSF, and then further disbursed from the QSF to Class Counsel in such amount as may be allowed and approved by the Court. Defendants agree not to oppose Class Counsel's fee petition requesting (i) an amount equal to thirty-three percent (33%) of the Fund as attorneys' fees in this matter; plus (ii) litigation expenses incurred by Gallagher Evelius & Jones LLP to prosecute the Claims. Payment of Class Counsels' approved attorneys' fees and costs shall be disbursed by the Administrator by wire to an account to be specified by Class Counsel. All costs incurred in prosecuting the Claims, approved by the Court, shall be reimbursed out of the first Payment Installment. Any additional costs incurred after Final Approval by Class Counsel in connection with this Class Settlement can be reimbursed only upon approval of the Court, and shall be paid from the QSF. Payments of attorneys' fees shall correspond to the Payment Installments, described above in paragraph 15, with each payment representing the court-approved percentage of each total Payment Installment.

20. **Settlement Administration Expenses.** The Settlement Class is responsible for any Settlement Administration Expenses that exceed \$100,000, such amounts to be paid from the balance of funds held in the QSF. The Settlement Administrative Expenses are estimated to total \$500,000, and shall not exceed \$550,000 without consent of the Court.

21. **Duties of Law Firm.** The Law Firm shall assist the Administrator in delivering payment to the Settlement Class in the following respects:

(a) The Law Firm will not charge any existing Law Firm clients who are among the Settlement Class Members any estate administration fees in connection with legal work associated with payments to them pursuant to this agreement, notwithstanding any right it would otherwise have to charge such fees under any arrangements it has with its clients.

(b) Nothing herein shall restrict the Law Firm from charging fees consistent with its normal fee practice and/or approved under Section 7-601 *et seq.* of the Estates and Trusts Article of the Maryland Code to the extent it is asked by former clients or their next of kin to play any role, including but not necessarily limited to serving (a) as personal representative or special administrator of an estate, or (b) as counsel to an estate representative for purposes of assisting with processing payments.

Preliminary Approval

22. **Motion for Preliminary Approval.** As soon as is practicable following execution of this Agreement, Plaintiffs will file a Motion for Preliminary Approval requesting that the Court preliminarily approve the settlement, and will submit the proposed Preliminary Approval Order attached hereto as **Exhibit 3**.

23. **Date of Final Approval Hearing.** At the Preliminary Approval Hearing, Class Counsel will request that the Court set a hearing date on the forthcoming Motion for Final Approval of the Class Settlement no sooner than eighty (80) days after entry of the Preliminary Approval Order.

Notice to the Class

24. **Notice.** The Parties agree to work with the Administrator to prepare a mutually agreeable plan for providing notice to the Class Members of this proposed Class Settlement, including a description of the dismissal and release provided herein, as well as a mechanism for Class Members to opt out of the proposed Class Settlement. The Notice shall be subject to Court approval and implemented in accordance with the terms of the Preliminary Approval Order.

25. **Mailing of Notice.** Within the timeframe set forth in the Preliminary Approval Order, the Administrator will mail to all persons on the final Class List, via U.S. Mail (first-class delivery), a copy of a Notice with content substantially the same as set forth in **Exhibit 4**. The Parties agree that Exhibit 4 is calculated and adequate to inform the Class of the terms of the Settlement and to notify the Class of the opportunity to participate in or opt out of the Settlement.

26. **Declaration by Administrator.** At least ten (10) calendar days in advance of the Final Approval Hearing, the Administrator shall file with the Court and serve upon Class Counsel and Counsel for Defendants an affidavit or declaration, under oath, setting forth the manner in which the Administrator complied with the dissemination of the Notice to the Class.

27. **Maintenance of Website.** For a period of five (5) years after the Effective Date, the Administrator shall maintain a website for this matter and dedicated email address, and will also be reachable by telephone.

28. **Cooperation.** All counsel shall reasonably cooperate with one another so that both sides may adequately assure and monitor the performance of all aspects of this Agreement.

29. **Joint Communication.** The Parties have prepared the joint communication attached as **Exhibit 5**, encouraging all Class Members to participate in this proposed Class

Settlement and not to opt out. The joint communication will be delivered to the Class Members by the Administrator, together with the Notice approved by the Court.

30. **Questions from Class Members.** Consistent with the Notice, if Class Members have questions about the proposed class settlement, the Administrator or Judge Grimm will respond to their questions. By responding to inquiries from Class Members, neither the Administrator nor Judge Grimm will be deemed to be providing legal advice or entering into an attorney-client relationship with any Class Members. The Angelos Estate agrees to pay any fees billed by Judge Grimm and agrees to fully indemnify the Administrator and/or Judge Grimm with regard to any claim arising out of their responses to inquiries from Class Members regarding the proposed Class Settlement.

Opt-Out Requests

31. **Opt-Out Rights.** Except for the Class Representatives, and subject to the limitations set forth in paragraph 32 below, any member of the Class may elect to opt out of this Agreement, relinquishing their rights to benefits hereunder. The Class Representatives agree that they will not opt out of the settlement. Consistent with paragraph 24 herein, the right to opt out shall be described in the Notice as approved by the Court.

32. **Opt-Out Method.** Persons who wish to opt out must send to the Administrator, within forty-five (45) calendar days after the Date of Notice (the “**Opt-Out Deadline**”), a submission stating their intent to opt out of the settlement (an “**Opt-Out Notice**”). The Opt-Out Notice shall be provided in a form and manner compliant with the instructions in the Notice. The Administrator shall provide Class Counsel and counsel for Defendants on a timely basis, via e-mail, a copy of all Opt-Out Notices. All persons within the Class who fail to submit a valid

and timely request to opt out containing all information required as set forth in the Notice shall be bound by all terms of this Agreement and the Final Judgment.

33. **Waiver of Benefits.** Any person within the Class who submits a valid and timely request to opt out shall be deemed to have waived any rights or benefits under this Agreement.

34. **Excessive Opt-Out Requests.** In either a circumstance in which more than one hundred (100) MCIC Settlement Beneficiaries make valid requests to opt out of the Settlement Class, or a circumstance in which more than one hundred fifty (150) MCIC Settlement Beneficiaries and Surviving Family Members make valid requests to opt out of the Settlement Class, the Angelos Estate, in its sole discretion, may, but is not obligated to, elect to withdraw from the settlement. The Parties agree that, if the Angelos Estate withdraws from the settlement under either of these circumstances, the settlement shall be canceled as of the withdrawal date and will have no further force and effect whatsoever, and no Party will have any further obligation to perform under this Agreement. The Angelos Estate must notify Class Counsel, the Law Firm, and the Court of its election to withdraw no later than fourteen (14) calendar days after the Administrator sends via email the final opt-out list to the Parties; late or incomplete elections will have no effect. If the Angelos Estate elects to withdraw from the settlement, the Administrator will transfer any then-remaining administration funds from the QSF to the Fund.

Final Approval

35. **Final Approval Order.** After entry of the Preliminary Approval Order and expiration of the time for filing of objections, Plaintiffs will seek, and Defendants will not oppose, entry by the Court of a Final Approval Order that includes provisions:

(a) Granting final approval of this Agreement, and directing its implementation pursuant to its terms and provisions;

(b) Granting final approval of the incentive fee to the Class Representatives and of Class Counsel's application for attorneys' fees, costs, and other expenses;

(c) Directing that the Case be dismissed with prejudice as to all Defendants upon the later of (i) the expiration of the time for appeal following the entry by the Court of the Final Approval Order; or (ii) the issuance of a final appellate court ruling either dismissing the appeal or affirming the Final Approval Order; and

(d) Reserving to the Court continuing and exclusive jurisdiction over the Parties with respect to the interpretation, effectuation, implementation, and enforcement of this Agreement and the Final Approval Order.

36. **No Objections.** The Parties agree that no Party to this Agreement, other than Settlement Class Members who file a timely objection with the Court as set forth in the Notice, may object to the final approval of the settlement.

37. **Approval by Court.** This Agreement is subject to final approval by the Court. If the Court does not approve this Agreement and enter the Final Approval Order requested herein, or if the Court enters the orders provided for herein but said orders are materially modified by the Court or reversed or materially modified upon appellate review, then this Agreement shall be canceled and terminated unless counsel for all settling parties, within ten (10) business days from the receipt of a ruling or written notice of circumstances giving rise to termination, agree in writing to proceed with this Agreement under the modified circumstances presented.

38. **Termination of Agreement by Parties.** This Agreement shall only be terminable at the option of any Party: (a) if the Court fails to approve the settlement; (b) if the Court (or any appellate court) materially modifies, or proposes to materially modify, this Agreement as a condition of approving the settlement; or (c) upon written agreement signed by

all Parties. Any dispute as to the materiality of any modification or proposed modification of this Agreement by the Court shall be resolved by the Court. This Agreement additionally shall be terminable at the option of the Angelos Estate only if a sufficient number of Class Members validly opt out of this Agreement, as set forth in paragraph 34.

39. **Effect of Termination of Agreement.** If this Agreement is terminated or canceled as set forth herein, all of the Parties hereto shall be deemed to have reverted to their respective status as of April 19, 2024, and they shall proceed in all respects as if this Agreement had not been negotiated and executed and the related orders had not been signed and/or entered, preserving in that event all of their respective claims and defenses in this Case.

40. **Benefits of Settlement.** Defendants' performance of each of their obligations under this Agreement will entitle them to the full and complete benefits of this Agreement. If any Class Members do not obtain benefits as a result of their failure to comply with the Notice, their failure to obtain benefits will not affect the release of all of the Class Representatives' Claims and Class claims herein, and this Agreement will retain its full, binding effect.

Releases

41. **Releases.** Upon disbursement of the payment described in paragraph 10(b) from the Fund to the QSF, the Parties agree to a mutual release, as follows:

(a) The Class Representatives and Settlement Class Members, for themselves, their heirs, personal representatives, agents, successors, assigns, and affiliates, release and forever discharge Defendants and Former Defendants, individually and jointly, for themselves, their heirs, personal representatives, agents, successors, assigns, beneficiaries, and each of their affiliated trusts, entities, and/or companies, from all known and unknown charges, complaints, claims, grievances, liabilities, obligations, promises, agreements, controversies, damages,

actions, causes of actions, suits, rights, demands, costs, losses, debts, penalties, fees, wages, medical costs, pain and suffering, mental anguish, emotional distress, expenses (including attorneys' fees and costs actually incurred) and punitive damages, of any nature whatsoever, whether at law or in equity, or arising under the law or regulation of the United States or any state or locality or otherwise, which the Class Representatives and Settlement Class Members have, or may have had, against Defendants or Former Defendants, or any of their heirs, personal representatives, agents, successors, assigns, beneficiaries, or their affiliated trusts, entities, and/or companies, whether or not apparent or yet to be discovered, as of the effective date of the Term Sheet, concerning any transactions, claims, or matters concerning MCIC, the MCIC settlement, operations coverage with respect to MCIC or its insurance, or the Claims.

(b) Defendants, for themselves, their heirs, personal representatives, agents, successors, assigns, beneficiaries, and affiliated trusts, entities, and/or companies, release and forever discharge the Class Representatives and Settlement Class Members, individually and jointly, for themselves, their heirs, personal representatives, agents, successors, assigns, beneficiaries, and affiliates, from all known and unknown charges, complaints, claims, grievances, liabilities, obligations, promises, agreements, controversies, damages, actions, causes of actions, suits, rights, demands, costs, losses, debts, penalties, fees, wages, medical costs, pain and suffering, mental anguish, emotional distress, expenses (including attorneys' fees and costs actually incurred) and punitive damages, of any nature whatsoever, whether at law or in equity, or arising under the law or regulation of the United States or any state or locality or otherwise, which Defendants have, or may have had, against the Class Representatives or Settlement Class Members, or any of their heirs, personal representatives, agents, successors, assigns, beneficiaries, or affiliates, whether or not apparent or yet to be discovered, as of the effective

date of the Term Sheet, concerning any transactions, claims, or matters concerning MCIC, the MCIC settlement, operations coverage with respect to MCIC or its insurance, or the Claims.

Miscellaneous Provisions

42. **Appeal Bond.** In the event an objection to the Motion for Final Approval is filed, the Court overrules the objection, and the objector appeals, the appealing objector shall be required to post an appeal bond in an amount sufficient to cover all appeal costs including reasonable attorneys' fees projected to be incurred in defending the appeal.

43. **Jurisdiction.** The Parties agree that the Court shall maintain jurisdiction over the implementation and interpretation of this Agreement, which shall be interpreted under Maryland law, without giving effect to its choice of law rules.

44. **Mediation Costs.** The Class Representatives and the Angelos Estate shall retain, and share equally in the cost of, the services of Judge Grimm as mediator to facilitate the settlement process.

45. **No Interference.** Defendants agree that neither they nor their agents or employees will interfere with or otherwise hinder consummation of this proposed Class Settlement or threaten to terminate their representation of any Class Members on the basis that this settlement would require such termination. For the avoidance of doubt, nothing in this Agreement shall restrict the right of the Law Firm to terminate its representation of any Class Member for legitimate reasons other than the Class Member's mere participation in the Class Settlement. The Law Firm shall respond to all reasonable inquiries from the Administrator about address information for Class Members.

46. **Statements to the Media.** Following entry of the Final Approval Order, the Parties may release to the Media an agreed statement. The Parties agree that no statements or

comments to the Media will be made about the proposed Class Settlement until the Final Approval Order is entered, and no statements or comments will be made to the Media after the Final Approval Order other than the joint statement created under this paragraph. Any other statements or comments to the Media must be approved by all Parties.

47. **Headings.** The headings contained in the Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement.

48. **Dispute Resolution.** Prior to entry of the Final Approval Order, any dispute that arises under this Agreement that the Parties are unable to resolve, including but not limited to the interpretation or meaning of any term in this Agreement, shall be resolved by the Court. Following entry of the Final Approval Order, the Parties agree that the Court shall have jurisdiction over all disputes arising from or relating to the Order.

49. **Modifications.** This Agreement may be amended or modified only by a written instrument signed by all Parties to the Agreement.

50. **Binding Nature.** This Agreement shall be binding upon and inure to the benefit of the settling Parties hereto and their present, former, and respective heirs, executors, administrators, representatives, agents, attorneys, partners, successors, predecessors-in-interest, assigns, employees, and insurers.

51. **Entire Agreement.** This Agreement constitutes the entire Agreement of the Class Representatives, on the one hand, and Defendants, on the other hand, and no representations, warranties, or inducements have been made from the Class Representatives to Defendants, or vice versa, concerning this Agreement or its exhibits other than the representations, warranties, and covenants contained and memorialized in such documents. By entering into this Agreement, the Parties acknowledge and agree that the Term Sheet is merged

into this Agreement such that this Agreement is the sole source of the Parties' rights and obligations pertaining to its subject matter. Notwithstanding the foregoing, however, the Term Sheet shall continue to govern as among Former Defendants on the one hand, and Plaintiffs on the other.

52. **Counterparts.** This Agreement may be executed in one or more counterparts. All executed counterparts shall be deemed to be one and the same instrument. Counsel for the parties hereto shall exchange among themselves executed counterparts, and a complete set of executed counterparts shall be filed with the Circuit Court for Baltimore City in connection with the motion to approve the settlement.

53. **Construction of the Agreement.** The Parties agree that no Party shall be deemed to have solely drafted this Agreement.

54. **No Rescission on Grounds of Mistake.** The Parties acknowledge that they have made their own investigations of the matters covered by the Agreement to the extent they have deemed it necessary to do so. Therefore, the Parties agree that they will not seek to set aside any part of the Agreement on the grounds of mistake. Furthermore, the Parties understand, agree, and expressly assume the risk that any fact not recited, contained, or embodied in the Agreement may turn out hereinafter to be other than, different from, or contrary to the facts now known to them, or believed by them to be true, and further agree the Agreement shall be effective in all respects notwithstanding, and shall not be subject to termination, modification, or rescission by reason of any such difference in facts.

55. **Competency; Independent Counsel.** Each Party to this Agreement represents and warrants that he, she, or it is competent to enter into this Agreement and in doing so is acting upon his, her, or its independent judgment and upon the advice of his, her, or its own counsel and

not in reliance upon any warranty or representation, express or implied, or any nature or kind by any other party, other than the warranties and representations expressly set forth in this Agreement itself.

[PROPOSED] ORDER PRELIMINARILY APPROVING SETTLEMENT, CERTIFYING CLASS FOR SETTLEMENT PURPOSES, AND WITH RESPECT TO NOTICE, SETTLEMENT HEARING, AND ADMINISTRATION

UPON REVIEW AND CONSIDERATION of the Proposed Class Settlement Agreement (“Settlement Agreement”) dated as of August __, 2024, relating to claims asserted by Plaintiffs against The Law Offices of Peter G. Angelos, P.C. (the “Law Firm”) and the Estate of Peter G. Angelos (together with the Law Firm, “Defendants”) in the above-captioned litigation, and of the Consent Motion for Preliminary Approval of Class Settlement, and for Certification of the Class for Settlement Purposes and Approval of the Form, Manner, and Administration of Class Notice (“Consent Motion”); for good cause shown, the Court **FINDS** and **ORDERS** as follows:

1. The definitions set forth in the Settlement Agreement are incorporated by reference into this Order.
2. The terms of the Settlement Agreement are preliminarily **APPROVED** as fair, reasonable, and adequate, subject to further consideration by the Court at the Final Approval Hearing described below.

EXHIBIT
3

3. For purposes of the Proposed Class Settlement, in accordance with the Settlement Agreement, and pursuant to Maryland Rule 2-231(b) and (c)(3), the Court **CERTIFIES** the following Class:

All persons (or their estate representatives or next of kin) represented at any time by Defendants in connection with the Motion to Enforce and/or the Tort Action who are identified on the MCIC Settlement Beneficiary List and the Surviving Family Member List, Exhibits 1 and 2 to the Settlement Agreement.

Excluded from the Class are:

- (a) All directors, officers, employees, and shareholders of the Law Firm, and their immediate family members;
- (b) All attorneys for Defendants in the current matter, and their immediate family members;
- (c) Each and every judge assigned to this action and all members of those judges' staffs, and their immediate family members;
- (d) Those persons who previously settled or whose associated MCIC Settlement Beneficiary previously settled legal malpractice claims against Defendants equivalent to any of the Claims asserted in the Case;
- (e) For the avoidance of doubt, all persons listed on exhibit 3 to the third amended complaint in the Tort Action; and
- (f) Those persons who affirmatively opt out of the Class.

Elements of Certifiable Class

4. The Court **FINDS** that all requirements for class certification under Maryland Rule 2-231(b) and (c)(3) are satisfied exclusively for purposes of preliminarily approving the Settlement Agreement, as set forth below:

(a) ***Ascertainability.*** The Court **FINDS** that the Class is readily ascertainable, as the universe of settlement beneficiaries represented by the Law Firm is a matter of public record;

(b) ***Numerosity.*** The Court **FINDS** that the Class, which amounts to over 10,000 MCIC Settlement Beneficiaries and Surviving Family Members, is so numerous that joinder of all members would be impracticable;

(c) ***Commonality.*** The Court **FINDS** that material questions of law and fact are common to the Class, including questions relating to Defendants' breach of the duty of care, causation, and the framework for apportioning damages;

(d) ***Typicality.*** The Court **FINDS** that the claims of Plaintiffs (individually or through estate representatives) are typical of the class claims;

(e) ***Adequacy.*** The Court **FINDS** that Plaintiffs, and their counsel, will fairly and adequately protect the interests of the Class, as Plaintiffs' claims are not contrary to or inconsistent with any absent class members' claims, and as Plaintiffs' counsel have demonstrated that they possess the subject-matter expertise and experience to zealously advocate for the Class;

(f) ***Predominance.*** The Court **FINDS** that common questions of law and fact predominate over any individual issues, such that a class action is the only logical means of adjudicating the class members' claims; and

(g) ***Superiority.*** The Court **FINDS** that a class action is superior to any other available method for the fair and efficient adjudication of this controversy, including because (i) given the commonality of factual and legal issues, the interests of class members in individually controlling the prosecution of separate actions are minimal; (ii) the only other actions known to the Court that implicate the subject matter of this case were not class actions, were prosecuted by

a small number of Defendants' clients, and have resolved out of court; (iii) the Circuit Court for Baltimore City, where the underlying asbestos cases were litigated, is a suitable forum for resolution of the class claims; and (iv) a class action would be more efficient than individual actions presenting the same legal and factual issues repeatedly, and the Court anticipates that the management of a class action would present no unusual difficulties.

Notice Should Be Sent

5. As part of the Court's consideration of the Settlement Agreement, the Court must determine whether sending notice to the members of the Class is justified based upon the parties' showing that the Court will likely be able to approve the proposal. The Court, having reviewed the proposed settlement terms, **FINDS** that the Settlement Agreement is within the range for possible approval and is likely to be approved following the Final Approval Hearing, and accordingly, Notice **SHOULD BE SENT** as discussed below.

Appointment of Class Representatives and Class Counsel

6. For purposes of this preliminary settlement approval and all matters relating to the settlement, the Court **APPOINTS** Plaintiffs Cynthia M. Clark, Norman J. Loverde, Maria M. McCarthy, and William J. McCarthy, Jr. as Class Representatives, and further **APPOINTS** Plaintiffs' counsel of record as Class Counsel. The lawyers representing the Class are:

Paul S. Caiola (lead counsel)
Brian T. Tucker
Joe Dugan
Sarah R. Simmons
Tory S. Trocchia
GALLAGHER EVELIUS & JONES LLP
218 N. Charles St., Ste. 400
Baltimore, MD 21201

7. The Court **APPOINTS** Strategic Claims Services, Inc. of Media, Pennsylvania, as Settlement Administrator.

Notice and Opt-Out Procedure

8. Within fourteen days after the entry of this Order, pursuant to the procedures detailed in the Settlement Agreement, the Settlement Administrator **SHALL GIVE NOTICE** of the settlement and of the Final Approval Hearing to all Settlement Class Members by mailing a copy of the Notice substantially in the form attached to the Settlement Agreement as Exhibit 4.

9. At least ten days in advance of the Final Approval Hearing, Class Counsel **SHALL FILE** a sworn declaration by the Settlement Administrator evidencing compliance with the provisions of this Order concerning the mailing of the Notice.

10. The Court **FINDS** that Notice in compliance with the provisions set forth in paragraph 8 above and in the Settlement Agreement is the best notice practicable under the circumstances and constitutes sufficient notice of this Order to all persons affected by and/or entitled to participate in the settlement, in compliance with the notice requirement of Maryland Rule 2-231(f) and constitutional due process.

11. Any Settlement Class Member wishing to opt out of the Class **SHALL MAIL** via certified mail to the Settlement Administrator an opt-out request form entitled “Request to Opt Out of the Settlement Class” available on the website www.legalmalpracticeclassaction.com. Any Settlement Class Member who does not properly opt out within forty-five days after the mailing of Notice to same (*i.e.*, the date the Notice is post-marked on the envelope sending notice) shall be included in the Settlement Class and shall be bound by any judgments or orders entered by the Court in this action.

12. Should the Settlement Administrator receive any Opt-Out Notices, the Administrator **SHALL PROVIDE** copies of same promptly to Class Counsel and Defendants’ counsel.

13. Within three days following the expiration of the last date by which a Settlement Class Member may deliver an Opt-Out Notice, the Settlement Administrator **SHALL NOTIFY** Class Counsel and Defendants' counsel, via email, of the identities of all Settlement Class Members who have properly opted out, if any, and **SHALL FILE** with the Court (through Class Counsel) a sworn statement listing all such persons.

14. To effectuate the Proposed Class Settlement and the Notice process described herein, the Settlement Administrator **SHALL MAINTAIN** a website for this matter and a dedicated email address, and **SHALL PRESERVE** all Opt-Out Notices or other communications from Settlement Class Members until administration is complete or pursuant to any Order of the Court. All written communications received from Settlement Class Members, and all written responses to inquiries by Settlement Class Members regarding the Proposed Class Settlement, shall be available at all reasonable times for inspection and copying by counsel of record, subject to further Order of the Court should issues of privilege or confidentiality arise.

15. To be deemed Settlement Class Members entitled to participate in the Proposed Class Settlement, in the event that the settlement is consummated by approval of the Court, members need not take any affirmative action, but shall not opt out of the settlement.

16. Within fourteen days after receipt of notice by the Settlement Administrator of the identities of those Settlement Class Members, if any, who have opted out of the Proposed Class Settlement, and in the event at least 100 members have opted out, the Angelos Estate **SHALL NOTIFY** Class Counsel and the Court if it intends to exercise its right to cancel the settlement.

17. All other events contemplated under the Settlement Agreement to occur after this Preliminary Approval Order and before the Final Approval Hearing **SHALL BE GOVERNED** by the Settlement Agreement, to the extent not inconsistent with this Order.

18. Memoranda in support of the settlement, petitions for attorneys' fees and reimbursement of expenses by Class Counsel, and requests for any Class Representative awards **SHALL BE FILED** within eighty days from the date of this Order.

19. The Final Approval Hearing **SHALL BE HELD** before the undersigned at 9:30 a.m. on November 22, 2024, via Zoom, to consider the fairness, reasonableness, and adequacy of the Proposed Class Settlement, the entry of any final Order in the case, petitions for attorneys' fees and for reimbursement of expenses by Class Counsel, and other related matters. The following protocol shall apply:

(a) The Court will provide a link for the November 22, 2024 Zoom hearing. At least ten days prior to the Final Approval Hearing, Class Counsel **SHALL COORDINATE** with the Settlement Administrator to post on the website www.legalmalpracticeclassaction.com all information for Settlement Class Members to attend/access the hearing; and

(b) Any Settlement Class Members who wish to appear and be heard at the hearing on any matter pertaining to final approval **SHALL COMPLY** with the requirements of paragraph 21 below.

20. The Final Approval Hearing may be postponed, adjourned, or continued by Order of the Court without further notice to the Class.

21. Any Settlement Class Member who does not opt out of the settlement may appear at the Final Approval Hearing in person or by counsel, if any appearance has been filed and served as provided in the Notice, and will be heard to the extent allowed by the Court in support of, or in opposition to, the fairness, reasonableness, and adequacy of the proposed settlement, or the requested award of attorneys' fees and reimbursement of expenses; provided, however, that no person shall be permitted to intervene or otherwise be heard in opposition to the proposed

settlement or, if approved, any judgment entered thereon, or to the requested award of attorneys' fees and reimbursement of expenses, and no papers or briefs submitted by any person shall be accepted or considered by the Court unless, not later than forty-five days after the mailing of the Notice, such person has:

(a) Filed with the Clerk of the Court a notice of such person's intention to intervene or otherwise appear, together with a statement that indicates the basis for such intervention or opposition along with any supporting documentation;

(b) Served copies of such notice, statement, and documentation, together with copies of any other papers or briefs that such person files with the Court, either in person or by mail, upon all counsel of record; and

(c) Otherwise complied with the Proposed Class Settlement Agreement and Notice for purposes of the hearing.

22. If final approval of the settlement is not granted, or if the settlement is terminated for any reason whatsoever, the settlement and all proceedings conducted in connection with the settlement shall be without prejudice to the status quo ante rights of the parties to the action, and all Orders issued pursuant to the settlement shall be vacated. In such event, the settlement and all negotiations concerning it shall not be used or referred to in any court filing or proceeding.

23. Following entry of this Preliminary Approval Order, all proceedings in the litigation **SHALL BE STAYED** pending the Final Approval Hearing, except as necessary to implement the requirements of the Proposed Class Settlement.

Hon. John S. Nugent, Judge in Charge, Civil
Circuit Court for Baltimore City

SENT BY ORDER OF THE CIRCUIT COURT
FOR BALTIMORE CITY

If you or your loved one was represented by The Law Offices of Peter G. Angelos, P.C. in connection with a 1994 settlement agreement with MCIC, Inc. (McCormick Asbestos Company), you could be part of a class action settlement.

*The Circuit Court for Baltimore City authorized this Notice.
This is not a solicitation from a lawyer.*

- Through a proposed class action settlement, several individuals¹ (the “Class Representatives” or “Plaintiffs”²), on the one hand, and the Estate of Peter G. Angelos, through its duly appointed personal representative (the “Angelos Estate”), and The Law Offices of Peter G. Angelos, P.C. (the “Angelos Law Firm”) (collectively, “Defendants,” and together with Plaintiffs, the “Parties”), on the other hand, have agreed to settle a class action lawsuit.
- The lawsuit resolved by the Class Settlement is Cynthia M. Clark ex rel. Estates of Walter F. Kacala & Helen M. Kacala, et al. v. Peter G. Angelos, et al., Case No. 24-C-21-000847 (the “Case”), pending in the Circuit Court for Baltimore City (the “Court”).
- In the Case, the Class Representatives alleged that Defendants committed legal malpractice when they failed to pursue claims timely against MCIC, Inc. (“MCIC”) and certain of its insurers, thereby costing the beneficiaries of a 1994 settlement with MCIC millions of dollars in additional insurance proceeds that they likely would have recovered but for the malpractice.
- Defendants deny Plaintiffs’ allegations but have agreed to the Class Settlement to avoid the cost and uncertainty of litigation. Defendants have agreed to pay a combined total of **\$57 million** into a Qualified Settlement Fund, which will be distributed in gross to eligible Settlement Class Members in five annual installments following final approval of the Class Settlement by the Court. There are more than 7,000 MCIC Settlement Beneficiaries in the Class who may receive payments under the Settlement Agreement.

¹ The Class Representatives are: Cynthia M. Clark, as successor personal representative of the Estates of Walter F. Kacala and Helen M. Kacala; Norman J. Loverde, as successor personal representative of the Estates of Stephen J. Loverde, Sr. and Mary Anna Loverde; and Maria M. McCarthy and William J. McCarthy, Jr., as personal representatives of the Estate of Anne Major and successor personal representatives of the Estate of Bernard L. Major.

² Capitalized terms not defined in this Notice are defined in the Settlement Agreement, a copy of which can be found at www.LegalMalpracticeClassAction.com.

QUESTIONS? CALL 1-866-274-4004 TOLL FREE, OR VISIT www.LegalMalpracticeClassAction.com

- The Class Settlement also provides that the Settlement Class is releasing Defendants, as well as Former Defendants Gary J. Ignatowski and Armand J. Volta, Jr., from all Claims that the Class Representatives brought or could have brought in the Case relating to the MCIC Settlement Agreement. The Release is Paragraph 41 of the Settlement Agreement, which is posted on www.LegalMalpracticeClassAction.com.
- Court-appointed lawyers for the Class also will ask the Court to approve an attorneys' fee award equal to 33% of the Qualified Settlement Fund plus out-of-pocket litigation expenses for investigating the facts, litigating the Case, and negotiating the Class Settlement; and the three Class Representative families will ask the Court to approve an incentive payment of \$10,000 each in consideration of their representation of the Class in this Case.
- The two sides disagree on whether Plaintiffs would have won; or how much, if any, money could have been won if the Case had proceeded to trial.
- Details of the background of the Case against Defendants, as well as specifics regarding the proposed Class Settlement, can be found at www.LegalMalpracticeClassAction.com.
- Your legal rights are affected whether you act or don't act. Read this Notice carefully. Here are your choices:

DO NOTHING	If you do nothing, you will remain a member of the Class, and you or the appropriate representative of an MCIC Settlement Beneficiary will receive payments from the Qualified Settlement Fund. You will give up your right to separately pursue Defendants and Former Defendants for the claims raised in this Case or for other claims relating to the subject matter of the Case.
OPT OUT	Get no settlement benefits. This is the only option that may allow you to file your own lawsuit against Defendants and/or Former Defendants for the legal malpractice claims in this Case. You may have very little time to act before any remaining claims expire due to the statute of limitations.
OBJECT	Write to the Court about why you don't like the Class Settlement.
ATTEND A HEARING	Ask to speak in open court about the fairness of the Class Settlement.

BASIC INFORMATION

1. Why did I get this Notice?

Defendants' records show that you were—or someone in your family, someone whose estate you represent, or someone for whom you are next of kin was—a beneficiary of the 1994 MCIC Settlement Agreement between MCIC and a number of its insurers, on the one hand, and the Angelos Law Firm and several other firms, on the other hand; and that attorneys from the Angelos Law Firm represented you in pursuing claims against MCIC.

The Court authorized this Notice because you have a right to know about a proposed settlement of a class action lawsuit, and about all of your options, before the Court decides whether to approve the Class Settlement. If the Court approves the Class Settlement, the Administrator appointed by the Court will provide the benefits that the Class Settlement allows.

This Notice explains the lawsuit, the Class Settlement, your legal rights, what benefits are available, who is eligible for them, and how to get them.

The Court in charge of the Case is the Circuit Court for Baltimore City. The Honorable John S. Nugent is overseeing this Class Settlement. The asbestos victims who sued in this Case are called the Plaintiffs, and the lawyer and law firm that they sued—the Angelos Estate and the Angelos Law Firm—are called the Defendants.

2. What is this Case about?

In 1994, the Angelos Law Firm reached a settlement agreement with a Baltimore-based asbestos installer named MCIC, Inc. (formerly known as McCormick Asbestos Company) and its insurers, settling thousands of its clients' asbestos injury claims against MCIC for between \$1,000 and \$9,500 each (depending on the progress of disease at that time). In the MCIC Settlement Agreement, MCIC and its insurers agreed that the settlement was for all available insurance, and they promised that if any additional insurance was discovered that was applicable to the settlement beneficiaries' claims, they would arrange to distribute that additional insurance to the beneficiaries on a *pro rata* basis.

Some time during or before 1998, Defendants discovered that there was, in fact, substantial additional insurance applicable to the claims. Defendants demanded that MCIC and its insurers honor their agreement to distribute that additional insurance, and when they failed to do so, Defendants brought two actions in court in Maryland—a Motion to Enforce the MCIC Settlement Agreement filed in 2002, and a Tort Action filed in 2005. Unfortunately, the Maryland courts determined that Defendants had waited too long to bring these actions, and both actions were dismissed as time barred.

This Case alleges the following three claims for legal malpractice against all Defendants:

1. In Count I, Plaintiffs allege that Defendants did not move timely to enforce their rights and the rights of thousands of similarly situated Angelos Law Firm clients under the MCIC Settlement Agreement.

QUESTIONS? CALL 1-866-274-4004 TOLL FREE, OR VISIT www.LegalMalpracticeClassAction.com

2. In Count II, Plaintiffs allege that Defendants did not pursue timely fraud and negligent misrepresentation claims on behalf of Plaintiffs and thousands of similarly situated Angelos Law Firm clients against MCIC and its insurers.
3. In Count III, Plaintiffs allege that Defendants failed to challenge a buyback by Reliance Insurance Co., prior to the 1994 settlement, of insurance coverage it had issued to MCIC, thereby depleting the pool of coverage for the settling claimants.

Defendants deny that they committed legal malpractice.

Additional information about the Case is available in the Court files, which are kept at the clerk's office for the Circuit Court of Baltimore City, located at 111 North Calvert Street, Room 412, Baltimore, Maryland 21202. You may view any unsealed records in person at the clerk's office by providing the clerk with the Case number (24-C-21-000847) and requesting to view the Case records. You may also request a copy of unsealed documents in the file. There is a fee for copies.

3. Why is this a class action?

In a class action lawsuit, one or more people called "class representatives" or "named plaintiffs" sue on behalf of other people who have similar claims.

The Class Representatives in this case are: Cynthia M. Clark, as successor personal representative of the Estates of Walter F. Kacala and Helen M. Kacala; Norman J. Loverde, as successor personal representative of the Estates of Stephen J. Loverde, Sr. and Mary Anna Loverde; and Maria M. McCarthy and William J. McCarthy, Jr., as personal representatives of the Estate of Anne Major and successor personal representatives of the Estate of Bernard L. Major.

Together, the Class Representatives and the MCIC Settlement Beneficiaries and Surviving Family Members they represent are a "Class" or "Class Members." One court resolves the issues for everyone in the Class—except for those people who choose to opt out of the Class.

In order for a case to proceed as a class action, the court overseeing the case must "certify" the class—*i.e.*, the court must rule that the case can proceed as a class action, rather than as many individual cases or as one case with many plaintiffs. There are many factors a court must consider when determining whether or not a class should be certified.

At the time the Parties agreed to the proposed Class Settlement in this Case, the Court had not yet certified the Class. However, the Court now has conditionally certified the Class for purposes of the Class Settlement. If the Class Settlement is not ultimately given final approval by the Court, the conditional certification will no longer stand, and the Parties will have to litigate whether the Class should be certified in this Case.

4. Why is there a Class Settlement?

The Court did not decide in favor of Plaintiffs or Defendants. The Class Representatives think the Class could have recovered a substantial amount if the Class won at trial. The Defendants think they would have prevailed in the Case. But there was no trial. Instead, both sides agreed to a Class Settlement. That way, they avoid the cost and uncertainty of a trial, and the people affected will get compensation. The Class Representatives and Class Counsel think the Class Settlement is best for all Class Members.

WHO IS IN THE CLASS SETTLEMENT?

5. How do I know if I am part of the Class Settlement?

The Circuit Court for Baltimore City has decided for purposes of the proposed Class Settlement that everyone who fits this description is a Class Member:

All persons (or their estate representatives or next of kin) represented at any time by Defendants in connection with the Motion to Enforce and/or the Tort Action who are identified on the MCIC Settlement Beneficiary List and the Surviving Family Member List.

“MCIC Settlement Beneficiary” means an individual listed on the MCIC Settlement Beneficiary List, or such a person’s estate representative. “Surviving Family Member” means an individual listed on the Surviving Family Member List, or such a person’s estate representative.

Both the MCIC Settlement Beneficiary List and the Surviving Family Member List are attached to the Settlement Agreement, which can be found at www.LegalMalpracticeClassAction.com.

If you are the recipient listed on this Notice, Class Counsel have determined that you fit the Class Member description and therefore are a Class Member, subject to the exclusions listed below.

6. Are there exceptions to being included?

Yes. Excluded from the Class are:

- a. All directors, officers, employees, and shareholders of the Angelos Law Firm, and their immediate family members;
- b. All attorneys for the Defendants in the current matter, and their immediate family members;
- c. Each and every judge assigned to this action and members of those judges’ staffs, and their immediate family members;
- d. Those persons who previously settled or whose associated MCIC Settlement

QUESTIONS? CALL 1-866-274-4004 TOLL FREE, OR VISIT www.LegalMalpracticeClassAction.com

- Beneficiary previously settled legal malpractice claims against Defendants equivalent to any of the Claims asserted in the Case;
- e. For the avoidance of doubt, all persons listed on exhibit 3 to the third amended complaint in the Tort Action (a list of persons who did not participate in the MCIC Settlement Agreement, which is available for viewing at www.LegalMalpracticeClassAction.com); and
 - f. Those persons who affirmatively opt out of the Class.

7. I am still not sure if I am included.

If you are not sure whether you are included, you can ask for free help. You can call 1-866-274-4004 or visit www.LegalMalpracticeClassAction.com for more information. In responding to inquiries, the Administrator, who is not an attorney, will not be deemed to be providing legal advice or entering into an attorney-client relationship with the inquirer.

THE SETTLEMENT BENEFITS—WHAT YOU GET

8. What does the Class Settlement provide?

Defendants have agreed to pay a total of \$57 million (the “Settlement Payment”) to the Class. This money will be paid into a Qualified Settlement Fund and then distributed in gross to certain of the Settlement Class Members in five annual installments, following final approval of the Class Settlement by the Court.

A. Which Settlement Class Members will receive payment?

Every Settlement Class Member’s family is eligible to receive payments from the Qualified Settlement Fund, but not every individual Settlement Class Member is eligible to receive payments.

Every Settlement Class Member is either an MCIC Settlement Beneficiary or a Surviving Family Member of an MCIC Settlement Beneficiary (or an estate representative of the foregoing).

Only MCIC Settlement Beneficiaries are eligible to receive payments from the Qualified Settlement Fund. If you are a Surviving Family Member, you personally will not be the member of your family who receives the settlement checks. However, so long as the MCIC Settlement Beneficiary with whom you are associated does not opt out of the Class Settlement, your family will be compensated.

B. Why are Surviving Family Members not eligible for their own payment?

Surviving Family Members are not eligible for separate payment because the MCIC Settlement Agreement provided payment for principal asbestos victims only, and not for family members

QUESTIONS? CALL 1-866-274-4004 TOLL FREE, OR VISIT www.LegalMalpracticeClassAction.com

who released derivative claims such as loss of consortium and wrongful death in consideration of an MCIC Settlement Beneficiary's payment.

C. The MCIC Settlement Beneficiary's Expected Payment Subgroup

For the purposes of receiving a share of the Settlement Payment, MCIC Settlement Beneficiaries will be divided into the following four subgroups, corresponding to the disease categories included in the MCIC Settlement Agreement:

- **Subgroup A** includes all MCIC Settlement Beneficiaries who participated in the 1994 settlement as a result of their **non-malignant condition** (e.g., asbestos lung disease).
- **Subgroup B** includes all MCIC Settlement Beneficiaries who participated in the 1994 settlement as a result of their **cancer other than lung cancer**.
- **Subgroup C** includes all MCIC Settlement Beneficiaries who participated in the 1994 settlement as a result of their **lung cancer**.
- **Subgroup D** includes all MCIC Settlement Beneficiaries who were participated in the 1994 settlement as a result of their **mesothelioma**.

According to Defendants' records, the MCIC Settlement Beneficiary with whom you are associated is identified as a member of Subgroup [insert subgroup letter], for purposes of receiving payments from the Settlement Fund.

This is because Defendants' records show that the MCIC Settlement Beneficiary in your family was an MCIC Settlement Beneficiary as a result of [insert disease category].

We understand that the asbestos disease from which the MCIC Settlement Beneficiary suffer(ed) may have progressed since the time of the 1994 MCIC Settlement Agreement. However, that is not relevant for purposes of this Class Settlement. MCIC Settlement Beneficiaries are eligible for payments based on their disease category at the time of the MCIC Settlement Agreement. That is what the MCIC Settlement Agreement requires.

D. Approximate Payment to Each MCIC Settlement Beneficiary

Every MCIC Settlement Beneficiary within each Subgroup will receive a *pro rata* share of the Settlement Payment based on their injury category at the time of the MCIC Settlement Agreement. MCIC and its insurers paid the following amounts to the beneficiaries of the MCIC Settlement Agreement, based on disease category:

Disease Category per MCIC Settlement Agreement	1994 Payment per Case
Non-Malignancies (e.g., asbestos lung disease)	\$1,000.00
Other Cancers	\$1,500.00
Lung Cancer	\$4,250.00
Mesothelioma	\$9,500.00

QUESTIONS? CALL 1-866-274-4004 TOLL FREE, OR VISIT www.LegalMalpracticeClassAction.com

In addition to what they received in 1994, and based on the *pro rata* schedule established in the MCIC Settlement Agreement, each MCIC Settlement Beneficiary can expect to receive approximately the following amounts, which are net of attorneys' fees and expenses that the Court will be asked to approve, administrative costs, and incentive fees to the Class Representatives:

Disease Category per MCIC Settlement Agreement	Subgroup in this Class Settlement	Total Class Settlement Payment per Settlement Class Member
Non-Malignancies (e.g., asbestos lung disease)	A	\$3,340.51
Other Cancer	B	\$5,010.76
Lung Cancers	C	\$14,197.15
Mesothelioma	D	\$31,734.80

These amounts will be divided into five annual Payment Installments, the first of which is largest. Thus, each MCIC Settlement Beneficiary can expect to receive five payments in total, in approximately the following amounts:

Subgroup	Payment 1	Payment 2	Payment 3	Payment 4	Payment 5
A	\$846.69	\$623.45	\$623.45	\$623.45	\$623.45
B	\$1,270.04	\$935.18	\$935.18	\$935.18	\$935.18
C	\$3,598.44	\$2,649.68	\$2,649.68	\$2,649.68	\$2,649.68
D	\$8,043.57	\$5,922.81	\$5,922.81	\$5,922.81	\$5,922.81

These amounts are estimates only. Because some Class Members may opt out of the Class Settlement, and because the costs of administration are not yet final, these dollar amounts may be adjusted up or down.

E. Additional Amounts to be Paid from the Settlement Fund

The following costs and expenses will also be paid from the \$57 million Qualified Settlement Fund:

I. Counsel Fees and Expenses

Class Counsel have prosecuted the Case for more than three years without receiving any attorneys' fees, and without any assurance of receiving attorneys' fees, and also have advanced all of the costs necessary to prosecute the Case. In these circumstances, Class Counsel will ask the Court to award them 33% of the gross Qualified Settlement Fund as attorneys' fees, plus reimbursement of out-of-pocket costs. The requested fee award is typical of many cases in which plaintiffs' firms represent their clients on a contingency basis. Counsel fees and expenses are subject to Court approval.

II. Payment of Administrative Costs of the Class Settlement

All costs associated with the administration of the Class Settlement will be paid from the Qualified Settlement Fund. Given the thousands of members of the Class, and the cost, in some instances, associated with locating members with whom the Angelos Law Firm has not communicated recently, the Settlement Administration Expenses are estimated to total at least \$500,000.

III. Incentive Payment for Class Representatives

Class Counsel will seek an incentive payment of \$10,000 for each of the three Class Representatives—Ms. Clark, Mr. Loverde, and the McCarthys—to compensate them for the substantial time they devoted to the pursuit of this Case. The incentive payments (\$30,000 in the aggregate) will be funded from the Qualified Settlement Fund and will be paid in five equal installments over the course of five years. The incentive payments are subject to Court approval.

F. Remaining Funds / *Cy Pres*

The Settlement Agreement recognizes and accounts for the possibility that some Settlement Class Members cannot be located or have died, and therefore there may be some money remaining in the Qualified Settlement Fund each year after all Settlement Class Members who can be located are paid. If any money is remaining in the Qualified Settlement Fund in a given year following that year's payment to all MCIC Settlement Beneficiaries in the Settlement Class, then the balance will be paid into a *Cy Pres* Fund that will distribute monies annually to not-for-profit organizations that serve the greater Baltimore community where many of the MCIC Settlement Beneficiaries and Surviving Family Members once lived or still live today.

With the approval of the Court, the *Cy Pres* Fund will be donated on an annual basis to the following entities, in the following percentages:

- (a) 23.5% to the University of Maryland Francis King Carey School of Law for purposes of sponsoring the clinical law program (which provides law students with hands-on experience in a variety of crucial legal fields);
- (b) 23.5% to the University of Baltimore School of Law for purposes of sponsoring the Fannie Angelos Program for Academic Excellence, which serves underrepresented student populations;
- (c) 23.5% to Public Justice Center, Inc., which advocates on behalf of social justice causes;
- (d) 23.5% to Associated Catholic Charities Inc., for use by the Esperanza Center (an immigration law clinic); and
- (e) 6% to Franciscan Center, Inc., which provides free meals and other services to Baltimoreans in need.

9. How many Settlement Checks will my family receive?

The MCIC Settlement Beneficiary in your family will receive five Settlement Checks: one per year for five years, beginning after the Class Settlement is approved by the Court.

10. After the Court approves the Class Settlement, will I forfeit pending asbestos claims I have asserted against MCIC because my asbestos injury worsened after 1994?

No. This Class Settlement will have no effect on any claims you may have against MCIC based on an asbestos injury you contracted or that worsened after 1994.

11. If I participate in the Class Settlement, will the Angelos Law Firm still represent me with respect to asbestos claims asserted against companies other than MCIC?

Yes. The parties have agreed that your participation in this Class Settlement will not impact any ongoing legal representation you have with the Angelos Law Firm.

HOW YOU RECEIVE A SETTLEMENT CHECK

12. Do I need to file a claim?

No. Because our records reflect that you are a member of the Class, you or the MCIC Settlement Beneficiary with whom you are associated will receive payments from the Settlement Fund after the Court considers and approves the Settlement, unless the MCIC Settlement Beneficiary with whom you are associated opts out of the Class.

The Court will hold a hearing on November 22, 2024, to decide whether to approve the Class Settlement. If the Court approves the Class Settlement after that, and there are no appeals, all MCIC Settlement Beneficiaries who do not opt out will be sent their first annual settlement check by the Class Settlement Administrator within sixty days of the Court's approval, and further settlement checks each of the four years thereafter.

13. What am I giving up by staying in the Class?

Unless you opt out of the Class, you will be a member of the Settlement Class, and that means that you can't sue, continue to sue, or be part of any other lawsuit against Defendants or Former Defendants concerning any transactions, claims, or matters concerning MCIC, the MCIC settlement, operations coverage with respect to MCIC or its insurance, or the Claims. In the Settlement Agreement, "Claims" means the causes of action asserted by Class Representatives in the operative Third Amended Class Action Complaint in the Case, or that could have been asserted by Plaintiffs relating to the subject matter thereof. Staying in the Class also means that all of the Court's Orders will apply to you and legally bind you.

QUESTIONS? CALL 1-866-274-4004 TOLL FREE, OR VISIT www.LegalMalpracticeClassAction.com

If you have a pending lawsuit against any of the Defendants or Former Defendants for legal malpractice related to the 1994 MCIC Settlement Agreement, speak to your lawyer in that case immediately. In order to continue your own lawsuit, you must opt out of this Class within 45 days of this Notice, as described below.

OPTING OUT OF THE CLASS SETTLEMENT

If you don't want to be part of this Class Settlement because you want to maintain your right to sue or continue to file your own lawsuit against any or all of the Defendants or Former Defendants concerning the legal issues in this Case, then you must take steps to opt out.

14. How do I opt out of the Class Settlement?

To opt out of the Class Settlement, you must complete the form entitled "Request to Opt Out of the Settlement Class", a copy of which is available by visiting www.LegalMalpracticeClassAction.com. You must complete the form in its entirety, sign it where indicated, and send it by certified mail, return receipt requested, so that it is **received** no later than 45 calendar days from the date of this Notice by the Administrator at the following address:

Angelos Settlement
c/o Strategic Claims Services
P.O. Box 230
600 N. Jackson Street, Suite 205
Media, PA 19063

You may not opt out of the Settlement by phone or email. You must send the opt-out form to the Administrator by certified mail to opt out of the Class Settlement. If you have any questions about the opt-out form, please call the Administrator toll-free at 1-866-274-4004 or visit www.LegalMalpracticeClassAction.com. In responding to inquiries, the Administrator, who is not an attorney, will not be deemed to be providing legal advice or entering into an attorney-client relationship with the inquirer.

15. If I opt out, can I get benefits from this Class Settlement?

No. If you opt out, you cannot be part of this Class Settlement. You will not be eligible for any payments from the Qualified Settlement Fund, and you cannot object to the Class Settlement. You will not be legally bound by anything that happens in this Case.

If you opt out, you may sue, continue to sue, or be part of a different lawsuit against any or all of the Defendants or Former Defendants about the legal issues in this Case in the future. You will assume the risk of failure of any such litigation, which may quickly become time-barred (if it is not already time-barred) due to the statute of limitations. You may wish to consult with independent counsel before opting out of this Class Settlement.

16. If I don't opt out, can I sue any or all of the Defendants for the same thing later?

No. See Question 13, above.

THE LAWYERS REPRESENTING YOU

17. Do I have a lawyer in this case?

The Court decided that the law firm of Gallagher Evelius & Jones LLP (“GEJ”) in Baltimore, Maryland will represent you and all Settlement Class Members in this Case. The Court appointed GEJ attorneys Paul S. Caiola, Joe Dugan, Brian T. Tucker, Sarah R. Simmons, and Tory S. Trocchia as Class Counsel. More information about the law firm, its practice, the attorneys serving as Class Counsel, and their experience is available at www.LegalMalpracticeClassAction.com.

If you want to be represented by your own lawyer, you may hire one at your own expense. You may enter an appearance in the case through that attorney, if you so desire. **The cost of engaging private counsel and pursuing your individual claims outside this class action is likely to exceed the value of those claims.**

18. How will the lawyers be paid?

Class Counsel will ask the Court to approve a payment for legal fees equal to 33% of the Qualified Settlement Fund, as well as payment of the litigation expenses Class Counsel incurred to prosecute the Case. The attorneys’ fees would pay Class Counsel for investigating the facts, litigating the Case for years, and negotiating the Class Settlement, all of which Class Counsel did without any guarantee of a single dollar of compensation. Any award of attorneys’ fees and expenses will be paid out of the Qualified Settlement Fund. Defendants have agreed not to oppose a Court award of attorneys’ fees and expenses.

OBJECTING TO THE CLASS SETTLEMENT

You can tell the Court that you don't agree with the settlement or some part of it.

19. How do I tell the Court that I don't like the Class Settlement?

If you're a Settlement Class Member, you can object to the Class Settlement if you don't like any part of it. You can give reasons why you think the Court should not approve it. The Court will consider your views. To object, you must send a letter saying that you object to the Class Settlement. Be sure to include your name, address, telephone number, signature, and the reasons you object to the settlement. Mail the objection to all of the parties listed below, postmarked no later than October 28, 2024.

20. What is the difference between objecting and opting out?

Objecting is simply telling the Court that you don't like something about the Class Settlement. You can object only if you stay in the Class. Opting out is telling the Court that you don't want to be part of the Class. If you opt out, you have no basis to object because the Case no longer affects you.

THE FINAL APPROVAL HEARING

The Court will hold a hearing to decide whether to approve the Class Settlement. You may attend, but you don't have to. If you attend, you may ask to speak. If you did not give timely notice as discussed in questions 19 and 23, however, the Court may not allow you to speak in opposition to the Settlement.

21. When and where will the Court decide whether to approve the Class Settlement?

The Court will hold a Final Approval Hearing at 9:00 AM on November 22, 2024, remotely via Zoom.

At this hearing, the Court will consider whether the Class Settlement is fair, reasonable, and adequate. If there are objections, the Court will consider them. During or after the hearing, the Court will decide whether to approve the Class Settlement. We do not know how long these decisions will take.

We will post information on www.LegalMalpracticeClassAction.com about how to attend and, if appropriate, participate in the remote hearing.

22. Do I have to come to the Final Approval Hearing?

No, **you do not have to come** to the hearing to receive the benefits of the settlement. But, you are welcome to attend. If you send a written objection, you don't have to come to Court to talk about it. As long as you mailed your objection on time, the Court will consider it. You may also pay your own lawyer to attend, but it's not necessary.

23. May I speak at the hearing?

You may ask the Court for permission to speak at the Final Approval Hearing. **You must send a letter** saying that it is your "Notice of Intention to Appear in Cynthia M. Clark, et al. v. Peter G. Angelos, et al., Case No. 24-C-21-000847." Be sure to include your name, address, telephone number, and your signature. If you intend to object to or oppose any aspect of the Class Settlement, you must also indicate the basis for your objection or opposition and provide any supporting documentation. Your Notice of Intention to Appear must be postmarked no later than October 28, 2024, and must be sent to the Clerk of the Court, Class Counsel, Defense Counsel, and the Class Settlement Administrator at the six addresses in question 19.

If you do not send this letter, the Court may not allow you to speak at the hearing. You also may not speak at the hearing if you opt out of the Class.

IF YOU DO NOTHING

24. What happens if I do nothing at all?

If you do nothing, you will be a Settlement Class Member. You or the MCIC Settlement Beneficiary with whom you are associated will receive five annual settlement checks from the Qualified Settlement Fund, so long as Court approves the Class Settlement, and so long as the MCIC Settlement Beneficiary does not opt out.

However, you won't be able to file a lawsuit of your own, continue with a lawsuit of your own, or be part of any other lawsuit against any of Defendants or Former Defendants about the legal issues in this Case.

Re: Proposed class action settlement

Dear [Client Name]:

If you are receiving this packet of information, you or your family member (or a person whose estate you represent) has been identified as a member of a class of clients of The Law Offices of Peter G. Angelos, P.C., with the right to participate in a class action settlement. The Court in Cynthia M. Clark ex rel. Estates of Walter F. Kacala & Helen M. Kacala, et al. v. Peter G. Angelos, et al., No. 24-C-21-000847 (Balt. City Cir. Ct.), has certified a class in a case involving allegations of legal malpractice in connection with a 1994 settlement agreement with Baltimore-based asbestos installer MCIC, Inc. and its insurers. The Court also has preliminarily approved a class settlement, which will entitle eligible participants to receive **thousands of dollars**, depending on their injury category in that 1994 settlement.

Although the Angelos Firm and the Estate of the late Peter G. Angelos deny liability, they have determined that a class settlement is an appropriate outcome of this litigation, as the settlement recognizes Peter Angelos's legendary devotion to his clients and his determination to achieve the best possible outcomes for the thousands of workers he represented who were impacted by exposure to asbestos. Gallagher Evelius & Jones LLP, the law firm that has represented the lead plaintiffs and that will serve as class counsel, also has determined that the proposed settlement is fair and reasonable and will benefit thousands of class members.

Please review the enclosed materials carefully. These materials explain how much money you or your eligible family member may receive and the timing of those payments. The materials also explain your right to opt out of the proposed settlement if you so desire, but **we strongly urge you not to opt out**. All lawyers involved in the litigation believe the proposed settlement is the best way to ensure that you or your family receive adequate compensation for the claims asserted in the class action. If you were to opt out, the cost of individual litigation easily could exceed the value of any recovery, and you might encounter obstacles such as a time bar due to the statute of limitations.

Be assured that by participating in the class settlement, you run no risk of losing any ongoing representation by the Angelos Firm. The Firm and its lawyers are pleased to have reached a fair and reasonable resolution of this dispute.
